Key features:

- Co-molded diaphragm technology for long life and durability
- HD models feature heavy duty, motors and cast aluminum lower housings which allow for long-life, even at high pressures
- Efficient and quiet operation
- Integrated, sealed pressure switch for on-demand operation
- Self-priming allows for installation versatility
- Can run dry without damage
- Quick-connect ports for ease of installation, servicing, and maintenance
- Vibration dampening mounting feet
- Full kit versions available which include 25' (7.6m) hose coil

Other available fittings & accessories:

Quick Release deck mount fitting

Allows easy disconnect and stowage of deck washdown hoses
