

The Experts in Hot Cooking Oil Applications

E & G Series Pumps

Since 1972, Haight Pump has earned a well deserved reputation for our expertise in this highly competitive market. With over thirty years experience supplying equipment that meets the design and performance criteria for an astounding variety of customers, we can help you meet your performance goals. Haight's versatility, durable construction, and competitive price has proven a winning combination in hundreds of thousands of commercial kitchens, stores and factories throughout the world.

Offering:

- A proven selection of different internal gear designs, each optimized for specific operating characteristics, all NSF approved
- Multiple flow rates to match your application capacity
- Motor variations with UL, CSA, or CE approval to meet application specifications.
- We excel in adapting our product to meet your special design challenges.
- Our Product Warranty is the best in the industry.
